1. Foreign Insurance Companies (**excluding HMOs and Accredited Reinsurers**) are no longer required to submit a hard copy of their Annual or Quarterly Statements to Indiana. However, some state specific items are required (see checklist).
2. Pursuant to IC 27-1-3-13, annual and quarterly statements must be prepared in accordance with NAIC Annual Statement Instructions.
3. Changes to the 2007 Annual Statement as the result of correspondence with this Department, or due to the requirements of other Departments of which this Department has been notified, should be taken into consideration in preparing the 2008 Annual Statement.
4. Changes resulting from a Department Examination must be reflected in the Annual Statement.
5. Indiana stock companies must comply with Rules 11 & 12 (760 IAC 1-11 & 760 IAC 1-12) issued in 1966.
6. Statement of Condition – Section 2 - Indiana Code 27-1-18-5:
At the time of filing its annual statement, an alien or foreign company shall submit, on a form prescribed by the department, a condensed statement of its assets and liabilities as of December 31 of the preceding year. If the department, on examination of such statement, determines from information available to it that it is true and correct, it shall cause such statement to be published in a newspaper in this state selected by the department. In the event the department determines that the statement submitted by a company is inaccurate or incorrect, it shall, after giving the company notice to the proposed changes and an opportunity to be heard, certify the corrected statement and proceed with its publication as above provided. The company shall bear the expenses of the publication, but in no event shall an amount exceeding forty dollars (\$40) be charged for such publication. Any cost of publication that exceeds forty dollars (\$40) must be borne by the newspaper publishing the statement.

General Instructions for Companies to Use Checklist

Please Note: Indiana's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will not be sending their checklist this year.

Electronic filing is intended to include filing via the Internet or via diskette with the NAIC. Companies that file with the NAIC via the Internet are not required to submit diskettes to the NAIC. Companies are not required to file hard copy filings with the NAIC.

Column (1) Checklist: Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an "x" in this column when mailing information to the state.

Column (2) Line #: Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) Required Filings: Name of item or form to be filed.

- a) The Annual Statement Electronic Filing includes the annual statement data and all supplements due March 1, per the Annual Statement Instructions. This includes all detail investment schedules and other supplements for which the Annual Statement Instructions exempt printed detail.
- b) The March .PDF Filing is the .pdf file for annual statement data, detail for investment schedules and supplements due March 1.
- c) The Risk-Based Capital Electronic Filing includes all risk-based capital data.
- d) The Risk-Based Capital .PDF Filing is the .pdf file for risk-based capital data.
- e) The Separate Accounts Electronic Filing includes the separate accounts annual statement and investment schedule detail.
- f) The Separate Accounts .PDF Filing is the .pdf file for the separate accounts annual statement and all investment schedule detail.
- g) The Supplemental Electronic Filing includes all supplements due April 1, per the Annual Statement Instructions.

- i) The Quarterly Electronic Filing includes the quarterly statement data.

- k) The June .PDF Filing is the .pdf file for the Audited Financial Statements.

Column (4) Number of Copies: Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (E) Task Force modified the 1999 Annual Statement Instructions to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (EX4) Task Force. XXX appears in the “Number of Copies” “Foreign” column for the appropriate schedules and exhibits. . Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and to rely upon the NAIC database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements.

Column (5) Due Date: Indicates the date on which the company must file the form.

Column (6) Form Source: This column contains one of three words: “NAIC,” “State,” or “Company,” If this column contains “NAIC,” the company must obtain the forms from the appropriate vendor. If this column contains “State,” the state will provide the forms with the filing instructions. If this column contains “Company,” the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC Annual Statement Instructions.

Column (7) Applicable Notes: This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.
